

# ***FRIED RICE N' SCIENCE***

## **VISITING SCIENTISTS:**

### **UNIVERSITY OF CHINESE ACADEMY OF SCIENCES**

UIC Science is excited to introduce a team of visiting scientists from the University of Chinese Academy of Sciences who are in Utqiagvik to conduct research in the Arctic. Please come and eat some REAL homemade Chinese fried rice!

**中国科学院大学**  
University of Chinese Academy of Sciences

Let's have some homemade food and learn about:

- *The Chinese team's current study in the Arctic*

- *The Tibet Plateau, the Third Pole of the World*

**Time:** Lunchtime (12 NOON) Friday, May 12, 2017

**Place:** BARC Large Conference room (Barrow Arctic Research Center is located on the NARL campus).
